INCUBATOR SPACE

Did you know that City on a Hill offers incubator space to new nonprofits? Incubator status allows a new nonprofit to get on its feet without needing to worry about rent for a few months. If you know of a new nonprofit looking for office space, reach out to Shawn at shawn@coahm.org.

PLANNED GIVING

If City on a Hill is included in your **Planned Giving**, we would love to know! Please contact Shawn at shawn@coahm.org. If you would like to learn more about planned giving, please reach out to your financial advisor.

We have an immediate need for a **carpet extractor** to ensure the cleanliness of the carpet in our building. The cost of the machine is approximately \$3,000.

NEWSLETTER

Dear Friends of City on a Hill,

What is your favorite holiday? For me, it's Thanksgiving. In the busyness and day-to-day tasks of life, Thanksgiving arrives like a breath of fresh air. I greatly value this day to pause, recognize, and thank the Lord for what he is doing in my family, my church, and my community. I like that Thanksgiving receives little airtime from a consumerism/marketing perspective and has the power to reframe my mindset.

So, with the arrival of Thanksgiving, I'd like to take this opportunity to express gratitude to you, our faithful supporters. THANK YOU for your ongoing investment in the work of City on a Hill. Our space continues to be filled with ministries and nonprofits on mission to serve our community and world. Your support allows these organizations to accelerate their growth & impact due to City on Hill's affordable, inviting, and collaborative space. Our City on a Hill operated ministries, Doors of Hope, Medical Clinic, Café, and Leader Renewal, continue to meet increasing healthcare, advocacy, resources, relationship, and renewal needs in the Holland/Zeeland area. It's through your generous financial, volunteer, word-of-mouth, and non-financial donations that we honor God by empowering ministries, nonprofits, and individuals to flourish.

This newsletter highlights several of our current activities and events. We hope to see you and your friends at our Visual Hope event on October 26 and Christmas Dinner on December 7. If you have questions or would like information about anything mentioned in this newsletter, feel free to reach out to me at shawn@coahm.org.

With gratitude,
Shawn Newhouse
Executive Director

New faces at City on a Hill

Chad Walters joined City on a Hill Ministries as **Facilities Manager** in September. He brings a wealth of facilities experience as he served as Director of Operations at Hamilton Community Schools for 22 years and most recently as the owner of Volts & More, where he served customers with small electrical and building needs. Chad is married to Rebecca, and they have four children. Chad enjoys serving at his church, going on overseas mission trips, and spending time with his family and friends. Welcome to City on a Hill, Chad!

Madolyn Lanser joined City on a Hill Ministries as **Assistant Director, Café** in early October. Maddie is no stranger to City on a Hill as she most recently worked for MOKA, one of our City on a Hill tenants. She brings experience working as a coffee house barista/manager and has a background in recreational therapy. She enjoys spending outside at the beach when she and her husband, Bradley, step away from fixing up their 1880s farmhouse. She is passionate about working with the community to improve the lives of others. Welcome to City on a Hill, Madolyn!

Our **fall menu** has launched at the Café! Head to our website to check out the updated menu and to order ahead for those busy mornings! Also, if you need **catering** for a small or large event, please contact our Café! You also can order cafe items "to go" from our website under the cafe tab.
